Automann adds New Pig Absorbents and Spill Containment

Automann is pleased to add the New Pig Absorbents brand to its offering.

Simply put, they make the World's Best Stuff for Leaks, Drips and Spills® and offer the world's largest selection of absorbent mats, socks, booms, pillows and wipers, as well as award-winning spill control and liquid management products.

They also carry well-known, proven products for material handling, personal protection, spill response, liquid filtration, maintenance, and workplace safety — over 2,700 in all. PIG products have been used in more than 300,000 industrial, commercial, utility, institutional, military and government facilities in over 100 countries.

Highlights of the New Pig offering:

- Quit the Grit of Clay and save money with Pig Mats
- Quick, clean & easy use
- Safe for workers
- Easy storage
- Offered in multiple sizes and shapes
- Absorbents for universal solvents and oil-only products

All images, related parts and interchanges are loaded on Automann.com.

Please contact your regional sales person or customer service for additional information.

Sincerely,

CJ Khanduja
Vice President
