## Automann Partners With Industry Leader WeatherTech®, Adds Bestselling FloorLiner to Its Expanding List of Branded Suppliers

Automann is pleased to introduce WeatherTech® to its lineup of branded products.

WeatherTech's made in the USA, molded truck FloorLiners are a high-quality, well-engineered in-cab solution for the Heavy-Duty Class 7&8 Truck segment.

For decades, WeatherTech has delivered on its promise of quality and craftsmanship through a commitment to American-made auto, home and pet products. Globally renowned for its laser-measured FloorLiner, the Bolingbrook, IL headquartered company continues to push industry boundaries through superior design, engineering and international brand recognition.

ISO Certified, WeatherTech currently supplies accessories to all four German manufacturers of luxury automobiles as well as a host of other automobile manufacturers worldwide.

All images, 360 views, related parts and interchanges are loaded on Automann.com. Please contact your regional sales person or customer service for additional information.

Sincerely,

CJ Khanduja  
Vice President
