## Automann is pleased to add the BurgaClip® brand to its offering

BurgaClip® air conditioning hose fittings are manufactured in the USA by BurgaFlex North America, which has been in operation since 2004. BurgaFlex is a global leading supplier of tube and hose assemblies in the medium and heavy-duty highway and off-road segments to the OEM and aftermarket. ISO 9001:2015 certified, BurgaFlex has engineering and manufacturing facilities located in Michigan, and is well known for engineering, quality, and developing solution-based products in the tube and hose category.

Highlights of the BurgaClip® offering:

- Field attachable AC hose fittings used with reduced barrier AC hose
- 2 clips per fitting are crimped with the special crimping pliers, allowing AC hoses to be made or repaired virtually anywhere
- Color-coded clip holders designate the different hose diameters

### About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 40,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With six strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
