## Automann USA Honored as Energy Champion at SAAZ 2024 Symposium

Morristown, NJ, June 12, 2024 – Automann USA proudly announces its recognition as an Energy Champion at the 2024 symposium, hosted by Big Shine Energy. This accolade celebrates Automann USA's steadfast dedication to sustainability and innovation in the automotive industry.

The SAAZ 2023 symposium, held on June 12, 2024, in Morristown, NJ, brought together leading figures in renewable energy, technology innovators, and policymakers to explore the latest advancements in sustainable practices. Automann USA was honored for its ongoing commitment to integrating sustainability into its business model and its leadership in supporting renewable energy initiatives.

*"We are deeply honored to be recognized as an Energy Champion at SAAZ 2024. My passion for sustainability started in my youth and has been a guiding principle throughout my career. At Automann, we are committed to embedding these values into our operations and continuously seeking innovative solutions that contribute to a more sustainable future."*

Dennis Singh Khanduja - President of Automann USA

At the event, Singh shared his personal journey and long-standing commitment to sustainability, discussing how these principles have shaped Automann USA's approach to business. This dedication is reflected in Automann's efforts to deliver high-quality, reliable truck and trailer parts while championing environmental responsibility.

### **About Automann**

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 40,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With six strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
