Automann Conducts Brake Training Classes at SA Brake & Clutch

San Antonio, TX, June 25, 2024, Automann USA recently conducted brake training classes at distributor San Antonio Brake & Clutch. Offering (2) separate 1.5 hour class sessions, regional sales manager Ulysses Gonzalez trained those in attendance on the proper techniques and guidelines for foundation air brake inspection and maintenance for both drum and disc systems.

The classes covered such items:

- CVSA Out-of-Service Criteria
- Brake Noise
- Proper Maintenance of Brake Shoe Hardware
- Maintaining S-Cams & Hardware
- Automatic Slack Adjusters and Brake Chambers
- Selecting the Correct Brake Friction and Drum
- Reduced Stopping Distance (RSD)
- Air Disc Brake Overview

SA Brake employees and customers attended the classes, which were profitable for both counter sales staff and for technicians.

"Everyone can learn something. From the most seasoned technician to the rookie counter person, the class was applicable to everyone and Uly kept it interactive and fun."

Brett Wagaman – Air Brake & Wheel Product Manager, Automann

Please contact your regional sales person or customer service for additional information.

About San Antonio Brake & Clutch

San Antonio Brake and Clutch was established in 1939 with two locations in southern Texas. With three generations of family operators, they have a combined 100+ years of experience providing truck, trailer and automotive service.

About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 50,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With six strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
