Automann adds Pollak, a Division of Standard Motor Products

Pollak has been providing innovative designs, reliable manufacturing, and high-quality parts for the heavy truck, off-road, RV, marine, industrial, and towing Industries since 1909. Pollak excels in its ability to design and manufacture from the concept stage through manual, semi-automatic and fully automated, high-volume production.

Three manufacturing locations totaling approximately 250,000 square feet of design, test and production space now provide custom and standard components to OEM's and aftermarket suppliers. Pollak is a certified ISO9001/QS9000 manufacturer and has also earned Q1 preferred status at Ford, General Motors' Mark of Excellence, Chrysler's Gold Pentastar, Navistar V and similar ranking with PACCAR, Freightliner, John Deere, Case, Caterpillar, and other respected OEM's.
